If you think you are eligible, please consult our staff or our Financial Hardship Policy (<http://www.o2communications.com.au>).

URGENT COMPLAINTS

Upon request, or at our discretion, we can escalate a complaint to urgent, which is addressed as priority and with shorter timeframes. A complaint can be addressed as urgent if:

- You have applied to our financial hardship policy and not addressing the complaint with urgency can aggravate your financial situation.
- Your service will be disconnected imminently because of the matter of the complaint.

COMPLAINTS HANDLING POLICY

- Your service has been disconnected and a delay in the reconnection may put lives in danger (Please note that we do not provide Priority Medical Assistance on our services)

ESCALATION OF A COMPLAINT

Complaints are regulated internally in such a way that if they have not resolved within a specific timeframe, they are automatically escalated to our Compliance Department.

You have the right to request for a complaint to be escalated and, if your request is reasonable, the complaint will be escalated, and you will be notified.

Escalated complaints are resolved with the supervision of a senior Team Leader in consultation with the Compliance Department. Please note that an escalation does not affect the time for a complaint to be resolved, but only ensures the supervision of more experienced team members, where the case is not of a simple resolution. An escalated complaint may require more than the usual time be resolved, as every action requires different levels of our organization to work on the proposed resolution.
