1. Mobile Data – How much will you use?

To help you estimate the usage you will need in a phone or data plan, here is a guide to the amount of data that common tasks may incur.

In the example below, if you send/receive about 15 emails, visit 33 web pages, upload 3 posts (with photo) in Facebook, watch 1 hour of standard streaming video and download 3 songs every day, you would use approximately 5GB of data per month.

TYPE OF SERVICE	EXAMPLE DAILY USAGE				
EMAILS SEND/RECEIVE with ATTACHMENTS	15	Emails	Every month you would consume	131.84	MB
WEB PAGES VISITED	33	Pages		990	MB
SOCIAL MEDIA POSTS WITH PHOTOS	3	Posts		43.945	MB
HOURS OF STANDARD STREAMING VIDEO	1	Hour		3600	MB
SONGS DOWNLOADED	3	Songs		360	MB
BE: YOUR ESTIMATED MONTHLY USAGE WOULD				5.0	GB

Below are general guidelines for the amount of data used per service, to help you estimate your usage:

1 email (no attachment)	35	KB	1 min. of streaming video (standard)	2	MB
1 email (with standard attachment)	300	KB	1 min. of streaming video (HD)	5.1	MB
1 web page	1	MB	1 song downloaded	4	MB
1 social media post with photo	500	KB			

Note: Data usage varies by device. The above examples are based on averages and are estimates only. The actual amount of data used for the described activity can vary.

2. Coverage Maps

Our services may use either the Optus or Telstra network, together with other networks. Where a product is resold from a particular Carrier, we disclose this to you in our product specifications and in the Critical Information Summary for that product. When you contract with us for a product, you will

not be contracting with the original carrier (Optus or Telstra Retail). If you have any questions about the networks we use, please contact us.

Where you obtain a mobile service from o2 Communications that uses the Optus network or is a 4G service using parts of Telstra's 4G network and capabilities, the coverage for that service is as set out at the links below. Please note that coverage depends on a large number of factors, these maps are not a guarantee of coverage, and coverage areas for mobile networks can change.

3. Billing

We send out our invoices monthly, and always provide the option to pay by Bank Direct Debit without any additional fees (Credit Card payments will incur a fee). If you have any questions about billing, please contact o2 Communications on 1300 966 642.

Our invoices have a standard format. Bills are available to download on our website, :www.o2communications.com.au

4. International Roaming

International roaming on o2 Communications mobile services are enabled by default. You can enable or disable international roaming by contacting o2 Communications on 1300 966 642 or go to our website. International call and data rates are generally higher than the call and data rates when in Australia, and are generally not included in your mobile phone plan and/or bundle. Even short periods of international roaming calls and data usage can result in large phone bills, which you will be liable to pay. If you would like more information about International Roaming rates for o2 Communications mobile services, please call on 1300 966 642 between Monday to Friday (9am-5pm AEST).

We recommend that, if you wish to make mobile calls when roaming, that you purchase a temporary SIM Card in the country of your destination and use it in place of your o2 Communications SIM Card.

5. Information about your current spending and previous bills

If you want to obtain records of your previous bills from us, or view your current spend to verify that charges to be billed to you are correct, you can access o2 Communications customer portal by going to our website www.o2communications.com.au

Friday (9am-5pm AEST), with a detailed description of the product you are claiming warranty on. We will assess whether you are eligible to claim under the warranty and whether to repair or replace your equipment, or provide a credit.

If we determine that your equipment needs to be returned, you will need to send the faulty equipment to o2 Communications. The warranty does not apply to faults caused by any of the following:

- a. any equipment not supplied by us;
- b. any interference with or modification to the equipment or a failure to use it in accordance with instructions; or
- c. damage caused by you or someone who has used the equipment (for example misuse or exposure to liquid or excessive heat); or
- d. an external event (for example a fire or flood).

The benefits given to you by this warranty are in addition to other rights and remedies you may have at law.

Our hardware comes with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other

reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
